

## **Impact of Lake Ridge Transfer Options on Student Athletes**

Parents and student athletes who are interested in applying for a transfer using the Lake Ridge Option, Junior/Senior, and/or sibling transfer options must submit their completed application(s) to the MISD Student Services office by **January 23, 2012** in order to be eligible for varsity competition during the 2012-2013 school year.

The **Lake Ridge transfer option** allows any current MISD 8<sup>th</sup> – 11<sup>th</sup> grade student to request a transfer to Lake Ridge High School, **thus making Lake Ridge High School the student's residence school.** The Lake Ridge Option Transfer applies to students, whom live in the Summit, Mansfield, Legacy, or Timberview residence zones based upon the approved MISD High School zoning map for the start of 2012-2013. Thus, any current MISD 8<sup>th</sup>-11<sup>th</sup> grade student that wants to utilize the Lake Ridge Transfer Option and wants to be eligible to participate in **any** Lake Ridge Varsity athletic team **must submit a completed Lake Ridge Transfer Option application to the MISD Student Services office no later than January 23, 2012.**

The **Junior/Senior transfer option** allows any current MISD sophomore or junior (at Legacy, Mansfield HS, Timberview) who has been re-zoned to attend Lake Ridge for the 2012-2013 school year to remain at their current school. Junior/Senior completed applications must be **sent to the MISD Student Services office no later than January 23, 2012 to be eligible for varsity athletic competition at their current school in 2012-2013.**

The sibling transfer option allows any current MISD 8<sup>th</sup> or 9<sup>th</sup> grade student who has an older sibling that has also applied for the Junior/Senior option to stay with their older sibling. Completed Sibling applications must be **sent to the MISD Student Services office no later than January 23, 2012 in order for the student to be eligible for varsity athletics.**

**Once a student's Lake Ridge, Junior/Senior, or Sibling transfer is approved, the student's residence school is established for the 2012-2013 school year.**
