## Schedule Screen Shot:

The screenshot shows a web-based schedule interface. On the left is a navigation menu with options like Family, Calendar, and various school-level links. The main area displays a schedule for 'Term 1st Sem' with rows for different classes. A legend box explains the icons used in the schedule: a document icon for class assignments, an envelope icon for teacher email, and a calendar icon for newsletter dates. Three callout boxes provide further instructions: a blue box points to a class entry, a green box points to a newsletter date, and a red box points to the legend.

To see what parents see when they click on your Gradebook, go to Roster & click the Gradebook icon.

After clicking on the newsletter date, your newsletter items appear as links in a new window. The parent clicks on the link (newsletter item) to open it.
