

March 10, 2010

Dear parents,

I have accepted a new position. I am going to be the Director of Human Resources in Duncanville ISD. My last day will be Friday, March 26, 2010.

We all have accomplished great things since we opened Cabaniss together. Mansfield ISD and the staff of Cabaniss are committed to continued excellence for your children. The district has a process in place to hire a new principal. The interviews and selection will take place in April, and the candidate should be announced at the April school board meeting.

I appreciate each of you for making my job as Principal of Cabaniss a wonderful experience. Thank you for allowing me to serve as your principal.

Thank you,

Gema Padgett
