Session 4 October 8 – 28 (Monday through Thursday)

Register online at: <http://www.mansfieldisd.org/aquatics/classes/main.htm>

Swimmers must be registered online BEFORE the first day of class

Parent notes

Our lesson program is based on levels of performance. As each swimmer passes the level of performance, they are moved to the next station. Please remember, each child advances at their own pace depending on physical skill and maturity.

Please do not enter the pool area until 5 minutes before your child's lesson begins. Please leave the pool deck when your child's lesson begins. Please do not come on the pool deck until your child's lesson is finished.

Please make sure your child uses the restroom before their lesson begins. On day 1, we will be testing levels and make sure each child is in the appropriate level. There will be some movement of instructors and students in order to maximize the lessons.

Each day, during your child's lesson, either Coach Tullbane or Christine will come into the stands to answer any questions you may have.
