### RUNNERS OF THE WEEK:

Varsity Girls: E. Hall, M. Castillo, and T. Miller did a great job of getting our team out in the front with Mansfield. Solid leadership. Team effort was great!

JV Girls: E. Rodriguez, L. Elliot had much improved efforts as did senior J. Faller who has shown significant improvement in stride and time.

Varsity Boys: J. Hyman, J. Stubblefield, B. Ramsey-All did a great job of leading our teams and had really gutsy races whether running from the front, having an improved race, or gutting out an injury! Proud, men!

JV Boys: B. Billings had a breakout race at district...you could tell he was mentally prepared and much more mentally tough.
