

Dear Students and Parents,

Mansfield ISD will test every Freshman with the ACT Plan test, and every Sophomore and every Junior with the Preliminary SAT on October 14.

In order to prepare for these exams we are pleased to offer Practice Exams for the SAT and ACT. Each Exam is followed up by a Strategy Seminar for students and parents.

**Important Facts About MISD's SAT & ACT Practice Exams and Strategy Seminar**

Students take the full practice exam Saturday and return to a student/parent Exam Strategy Seminar on an evening following the exam. Participants receive a score report, learn strategies and have the opportunity to ask questions from our consultant.

The exams and seminars will take place at the RL Anderson Complex, 1016 Magnolia Street, Mansfield, Texas 76063.

Students must provide their own pencils and a calculator.

Registration forms and the \$20 fee should be turned in to the bookkeeper at the student's home campus.

Practice Exam on Saturdays 8am-12pm	Strategy Seminar for Parents and Students 6:30-7:30pm	Registration Deadline
