

# EasyTech® Scope and Sequence

EasyTech by Learning.com is the proven online technology literacy curriculum that helps K-8 teachers and students develop and apply technology skills to enhance learning across core subject areas. EasyTech is aligned to ISTE NETS-S and your state's technology standards. The EasyTech curriculum also supports your state's standards in language arts, mathematics, science and social studies.

The table below provides an at-a-glance look at the all of the EasyTech curriculum units from kindergarten to eighth grade, and which core curriculum area they support. Use this table to determine the most appropriate grade level(s) at which to introduce each EasyTech unit. Detailed analyses are also available for grades K-2, 3-5, and 6-8.
