

## **Impact of Lake Ridge Transfer Options on Cheerleader/Drill Team and Tryouts**

MISD is holding **cheerleading tryouts Friday, March 23<sup>rd</sup> and 24<sup>th</sup>**, and **Drill Team Tryouts April 14<sup>th</sup>, 2012**. Students will only be allowed to tryout for the team/squad of their residence school zone. The MISD Board recently approved the Lake Ridge transfer option, which allows any current MISD 8<sup>th</sup> – 11<sup>th</sup> grade student to request a transfer to Lake Ridge High School, thus making Lake Ridge High School the student's residence school. The Lake Ridge Option Transfer applies to students, whom live in the Summit, Mansfield, Legacy, or Timberview residence zones based upon the approved MISD High School zoning map for the start of 2012-13. Thus, any current MISD 8<sup>th</sup>-11<sup>th</sup> grade student that wants to utilize the Lake Ridge Transfer Option and plans to try out for either the Lake Ridge Cheerleading squad or Lake Ridge Drill team **must submit a completed Lake Ridge Transfer Option application to the Student Services offices no later than January 23, 2012.**

**Once a student's Lake Ridge, Junior/Senior, or Sibling transfer is approved, the student's residence school is established for the 2012-2013 school year.**
