Dear Eighth Grade Parent/Guardian,

During the week of February 1st - 4th, the high school counselors will be conducting orientation sessions at the district's six middle schools. The purpose of these orientation sessions is to familiarize your son/daughter with the Class of 2014 graduation requirements, attendance regulations, and special program requirements. The counselors will also help your student make preliminary course decisions for his/her 9th grade year.

The high school counselors will explain this information to parents and students at their **Parent Information Program on Thursday, February 4th, from 7:00 p.m. – 8:00 p.m.** Please note the following sites for each high school.

Legacy High School	Main Gymnasium
Mansfield High School	Cafeteria/Commons Area
Summit High School	Cafeteria/Commons Area
Timberview High School	Cafeteria/Commons Area

We cordially invite you to attend this meeting in order that you may assist your student in making his or her educational decisions.

Just prior to the high school's Parent Information Program on February 4th, Ben Barber Career Tech Academy is having "8th Grade Welcome to High School" for students and parents from 5:30 p.m. - 6:45 p.m. This will be a great opportunity to view the exciting programs and courses available to all MISD high school students at Ben Barber.
