

TITLE: Approve Vendor
Recommendation for Student
Information System License Renewal

DATE: September 27, 2011

QUOTE RECOMMENDATION

BACKGROUND:

We request that the MISD Board of Trustees approve the recommendation as made by the Purchasing Department, in conjunction with the Technology Development Department, for renewing Quote #12-014 for Student Information System License Renewal with Infinite Campus.

CONSIDERATIONS:

Since 2007, Infinite Campus has been the District's Student Information System vendor. The original software was purchased utilizing the Enterprise Student Cooperative sponsored by Education Service Center Region X. Infinite Campus is no longer associated with Region X; however, they are still acting as the fiscal agent.

Attached is the Infinite Campus End User License Agreement for the 2011-2012 school year. The total cost is \$335,735.10 which includes license fees, hosting services and software support. The administration recommends that this be the last year that Infinite Campus serves as the District's Student Information System.

RECOMMENDATION:

The Purchasing Department, in conjunction with the Technology Development Department, recommends that Quote #12-014 for Student Information System License Renewal be awarded to Infinite Campus and that the Superintendent be authorized to sign the agreement.
