

TITLE: Approve Vendor
Recommendation for Awarding the Bid
for Musical Instruments

DATE: December 13, 2011

BID RECOMMENDATION

BACKGROUND:

We request that the MISD Board of Trustees approve the recommendations as made by the Purchasing Department, in conjunction with the Fine Arts Department, for awarding the bid for Musical Instruments. Completed requests for Bid #12-062 were received prior to the bid closing at 2:00 p.m. on November 15, 2011.

CONSIDERATIONS:

Attached is the tabulation from this bid opening. The purpose of this bid is to provide musical instruments for the new high school and the new fine arts facility scheduled to open in 2012, as well as replacement supplies and equipment for the existing District campuses which will be purchased on an as-needed basis.

Consideration was given to the lowest price, product conformity, references and compliance with the bid requirements. A section of the bid, detailing "Instrument Condition" was a mandatory requirement to be awarded line items. Vendors are responsible for ensuring delivery and installation of all musical instruments and equipment to be in good condition at the time of delivery and ready for use without any additional assembly or adjustment on the part of the District. In addition, a catalog discount is requested for items not listed on the tabulation.

This contract will be effective upon board approval, and shall remain in effect through December 31, 2012, with an option to extend for three additional one-year periods if mutually agreed upon.

RECOMMENDATION:

The Purchasing Department, in conjunction with the Fine Arts Department, recommends that all individual items on the Musical Instrument bid be awarded as indicated on the bid tabulation sheet and that all catalog discount bids, as submitted by the vendors, be accepted.
