RE: Consideration of Bids Received for General Maintenance Parts and Supplies

INTRODUCTION

We request that the MISD Board of Trustees approve the recommendation as made by the Purchasing Department, in conjunction with the Maintenance Department, for awarding the bid for General Maintenance Parts and Supplies. Completed bid requests for Bid #07-049 were received prior to the bid closing at 2:00 p.m. on January 8, 2007.

DISCUSSION

Attached is the bid tabulation from this bid opening. The purpose of this bid is to obtain General Maintenance Parts and Supplies for the Maintenance Department to use throughout the District (including rental equipment), as well as a general discount off Maintenance Parts and Supplies not otherwise specified in the bid. Consideration was given to the lowest price, product conformity, references, past experience, and compliance with the bid requirements. This contract will be effective from February 1, 2007 through January 31, 2008.

RECOMMENDATION

In conjunction with the Maintenance Department, the Purchasing Department recommends that all individual items in the General Maintenance Parts and Supplies Bid be awarded as indicated on the tabulation sheet and that all catalog and general discount bids, as submitted by the vendors, be accepted. Regarding rental equipment, we recommend that The Home Depot and Rental One be approved, as indicated on the tabulation.

FUNDING

Funding will be available through the 2006-2007 Maintenance budget.
