

Asa E. Low Jr. Intermediate School

September 25, 2009

Dear Parents:

This letter is to inform you of the current status of Clover Hill Road. Please know that all efforts by the school district related to traffic are made to enhance the safety of our students as they arrive and depart from school.

Mansfield ISD has requested permission from the City of Mansfield to open the gate on Clover Hill Road for drop-off and pick-up traffic. We will notify you of any change related to the gate access. Currently, the gate remains closed as an emergency-only entrance.

The City of Mansfield has placed signs that prohibit parking or stopping on the west side (Low Intermediate property side) of Clover Hill Road. Beginning Monday, September 28, police officers will be able to issue tickets for violation of those signs.

Student safety is a top priority for MISD and the Administration believes it is far safer for our students to be picked up on the school site. For that reason, parents are encouraged to pick up their kids in the area designated for parent drop-off and pick-up on the back side of the school outside of the cafeteria.

I will continue to be in contact with district administrators and work to provide you the most updated information on school traffic as it is available. Thank you for your patience and understanding as we work through this traffic situation.

Sincerely,

Jason Short, Principal
Asa E. Low Jr. Intermediate School
