Hello Jobe Families:

It is indeed a pleasure to welcome all our returning students and our new students to the 2010/11 school year! The staff and I are excited that you have entrusted your child's education to us and look forward to sharing many academic experiences with your children.

We are proud to start our second year at Jobe and look forward to a great school year of academic and personal growth, challenges, and accomplishments. High expectations and accountability continue to be top priorities for all of us at Jobe and we settle for nothing less than the best for our students and our school! As we partner with you, our parents, we will work together to ensure a rich, rigorous, and meaningful education for all children under our care.

Please know that my door is always open to you. If you need assistance or have questions, please do not hesitate to contact me. I am here to serve you and help ensure each child at Jobe receives the best education possible.

We are glad you and your child are members of the Jobe community and look forward to a wonderful year.

Sincerely,

Demetrus Liggins,

Jobe Middle School Principal
