November

Themes

We talked about apples, Community Helpers, bats, spiders, Fall, and Pumpkins last month. We all learned a few new facts about bats and spiders that we did not know. The kids really enjoyed participating in making a class jackolantern at the end of the month.

In November, we will learn about life on the farm, farm animals, and Thanksgiving traditions. We will finish up the month with a Thanksgiving Feast that will be just like the first Thanksgiving that the Pilgrims and Native Americans experienced.

Language Arts
