

We are so excited to be back at school! The first day back to school is something we look forward to. We hope your child had a great day.

\*\*\*Please remember to sign your child's Reading Log nightly. It is very important to read with your child. Fluency will get better with our students. Comprehension is one area we really focus on as this helps children become better readers. It helps them really understand what they are reading; not just letters and words.

We sent home a Second Grade Information Packet on the first day of school. Please read this with your child so you both know our policies and procedures. Please sign and return the last page.

There is no school on Monday, September 1<sup>st</sup>.  
Picture Day will be Wednesday, September 3<sup>rd</sup>.
