

Fourth Grade Information

We have all settled in and are ready to begin a new six weeks. The fourth grade teachers are looking forward to Monday, October 12th for parent conferences. We will be discussing benchmark scores, reading levels, and concerns.

On Thursday, November 5th, we will be going to the Symphony at Willie Pigg Auditorium. This is always a good trip because the students can actually see and hear what they have been studying in music class. Also, on the evening of November 12th, we will have our Literacy Night. Information will be sent home at a later time.

During this six weeks, we ask you to work extra hard with your child with basic multiplication facts. Division is being introduced and without knowing multiplication it will be difficult for the students. Reading is another area that can be reinforced at home. Each six weeks, every fourth grader has a Reading Counts goal to meet.

Please contact us if we can help you in any way. We want each student to be successful and have a good fourth grade year.
