## Welcome to Infinite Campus

We are ready to introduce to the MISD community the Infinite Campus Parent Portal. A [Web page dedicated to Infinite Campus](#) has been created to start us off by providing FAQs, Campus Contact Matrix (who to go to with issues and questions), Reference Documents, and other related information.

The [Infinite Campus Parent Portal Information page](#) will be the dedicated location for updates, announcements, and future documentation as deemed necessary by the district.

We encourage parents to be patient as our teachers learn this new system.

The attendance site will be open in the Parent Portal on the first day of school (Monday, August 25, 2008.) There may be a delay of up to a week before actual daily attendance is posted to the Portal. This will allow for class leveling and schedule changes which occur at the opening of each school year.

The grade site will also be open on the first day of school. Again, there may be a delay of a week or two as schedules finalize and assignments are made and graded.
