

Dear Parents & Faculty –

The Worley PTA is excited to let you know about one of this year's fundraising programs that can help our school earn cash. **Box Tops for Education** is a very simple program that everyone can participate in and there is no selling involved. When doing your weekly shopping look for participating products and clip the Box Top coupons and send them to our school and we can redeem the Box Tops for cash to help our school.

Each grading period we have a contest to see which Advisory teacher's class on each team brings in the most Box Tops. We collect the Box Tops the last week of each six weeks grading period. The class on each team that brings in the most Box Tops wins a chip and soft drink party.

Our school can earn hundreds of dollars, last year we earned \$790 collecting Box Tops. We look forward to having everyone participate. Don't forget to ask friends, family and neighbors to help clip Box Tops.

Look, clip and send them to your child's Advisory teacher with their name and team written on the bag and we will do the rest.

Thank you for making a difference for our school.

Worley PTA
