

Rogene Worley Middle School

500 Pleasant Ridge
Mansfield, TX 76063
817-299-5900

October 20, 2009

Dear Parents/Guardians:

The administration and staff at Worley Middle School will be hosting ***“Tail A Tiger”***, a parent involvement day, on Wednesday, November 4th and Thursday, November 5th, 2009. On these days, parents, guardians and grandparents are encouraged to recognize the important role that family members play in the success of children’s educational experiences by visiting schools and becoming actively involved in education.

“Tail A Tiger” is an opportunity for you to become actively involved in your student’s education. On this day, students are encouraged to bring a parent, grandparent, or guardian to school with them. The pair will report to classes, participate in class activities, go to lunch, lockers, and P. E. (Yes, adults will be expected to participate in gym; so bring those tennies). They will respond to bells and rules for student behavior just as our students do every day! In effect, we anticipate that each adult will assume the role of student and enjoy a day full of both new and familiar school experiences. Unfortunately, facilities for care of small children are not available at Worley Middle School.

You may attend school anytime, from one class period to a full class day; however, all guests **MUST** pre-register. Don’t wait for an invitation from your Tiger. Why not mention this event at the supper table and schedule your ***“Tail A Tiger”*** tonight? Please fill out the attached pre-registration form for your visit and return the form to your student’s Advisory teacher no later than Friday, October 30, 2009. A confirmation letter will be given to your student. If you have more than one student attending Worley, please fill out a separate form for each student. This will help us plan for this event. We want YOU on our campus!

Please call the school for answers to any questions you may have about this event.

Sincerely,

Mrs. Alfred
Principal
