

Goals

our

Faculty...

Faculty and staff will work together to create and maintain a positive learning environment by focusing on active collaboration, consistent communication, and systems in place to foster high student expectations and student success.

The faculty and staff at TA Howard Middle School will continue to challenge students academically to ensure that students achieve a high level of success.

Faculty and staff will seek out additional professional development opportunities to meet the needs of all students.

our

Learning

Community...

Parents, community, and staff will continuously collaborate to develop a plan that will ensure that all students can be successful.

Through the utilization of data, committees, and staff collaboration we will continuously plan, monitor and adjust our targets for student success initiatives and will ensure that our Campus Action Plan reflects the needs of our learning community.

Parents, students, faculty, and staff will work together to create a plan that will encourage and will increase community and parental involvement.

Faculty and staff will continue to create a welcoming atmosphere for the community and parents.

T. A. Howard Middle School will continue to encourage faculty and students to participate in service learning projects within the school and in the community.

Parents, students, and staff will achieve a high level of success through a common belief in the mission, vision, values and goals of T.A. Howard.
