

FIRE **FLEXING INDEPENDENCE RETAINING EMPLOYMENT**

Tuesdays: March 2-April 27, 6-7 p.m.

A Free 9 Week Virtual Training Series

“FIRE: Flexing Independence and Retaining Employment” will provide introductory virtual skills training in social skills to make a good impression to employers, career exploration, access job search services, and to discover community resources available to help reach employment and independent living goals.

- Make good impressions to employers
- Job exploration using Person Centered Practices
- Virtual interviewing – the do’s and don’ts
- Money management
- Access job search services and community resources

This FREE training is available to any person with a disability ages 14-22. Participation in all sessions is encouraged but not required.
