

TITLE: Approve Vendor
Recommendation for Awarding the
RFP for Weed Control and Fertilization

DATE: April 22, 2014

PROPOSAL RECOMMENDATION

BACKGROUND:

We request that the MISD Board of Trustees approve the recommendation as made by the Purchasing Department, in conjunction with the Maintenance Department, for awarding the proposal for Weed Control and Fertilization. Completed proposals were received for RFP #14-035 prior to the RFP's closing on March 26, 2014.

CONSIDERATIONS:

The purpose of this RFP is to select a qualified vendor who can provide pre- and post-emergent broadleaf weed control, grassy weed control and fertilization for the Mansfield Independent School District. Weed control and fertilization shall be applied to the curb appeal areas and irrigated areas of school campuses and other designated locations. Pre- and post-emergent shall be applied once in the fall and once in the spring. Up to two (2) applications of grassy weed control shall be applied in late spring. Fertilization shall be done up to three times per year at the determination of the District.

Considerations include cost, overall experience, experience in servicing contracts of similar size and scope, references, stability of company, past relationship with District, quality and range of services proposed, and qualifications of assigned staff. The recommended vendor has the highest rating based upon the factors specified in the proposal.

Attached are the proposal tabulation and the rating schedule for this RFP. The contract will be effective from May 1, 2014 through April 30, 2015, with the option to renew for three additional one-year periods upon mutual consent of both the District and the awarded contractor.

RECOMMENDATION:

The Purchasing Department, in conjunction with the Maintenance Department, recommends that the RFP for Weed Control and Fertilization be awarded to Weed Solutions, Inc., as shown on the tabulation and rating scale.

14-030 RFP 14-030
Rating Schedule

VENDORS>>>>>		GCA Services Group	Sports Field Solutions	Truegreen LP	Weed Solutions, Inc.
