VISION 2030
Mansfield ISD's strategic plan, Vision 2030, is an extension of Vision 2020 with the inclusion of social-emotional learning (SEL) initiatives and future ready goals. The district's mission, vision, core values, and new guiding statements are meant to provide clear focus for improvement and drive the district to great heights.

MISSION
To inspire and educate students to be productive citizens.

VISION
A destination district committed to excellence.

VALUES
- Students First
- Continuous Improvement
- Integrity
- Communication
- Positive Relationships
- Resiliency

MOTTO
Mansfield ISD: A great place to live, learn, and teach.

GUIDING STATEMENTS
- Students will read on level or higher by the beginning of the third grade and will remain on level or higher as an MISD student.
- Students will demonstrate mastery of Algebra II by the end of the 11th grade.
- Students will graduate life ready.
- Students will graduate college and/or career ready

As part of Vision 2030, Student Scorecards use research-based metrics to holistically assess students' college, career, and life readiness. Through the student scorecard, students in all grades will be empowered to be in charge of their future, and parents will have the tools needed to support that journey.

MANSFIELD ISD STUDENTS & PARENTS HAVE MORE CHOICES

TWO-WAY DUAL LANGUAGE
Spanish and English native speakers learn two languages through cooperative learning and collaboration.

LEADERSHIP ACADEMIES
Students are challenged to become leaders through hands-on lessons with an option of integrating agriculture-based experiences.

STEAM ACADEMY
Students will explore, create and innovate through cross-curricular science, technology, engineering, art and math (STEAM) activities.

FINE ARTS ACADEMIES
Students will delve into a rigorous academic environment while incorporating artistic exploration and integration.

STEM ACADEMIES
Students take part in a rigorous and focused course of study emphasizing science, technology, engineering and math (STEM) based on real-world situations.

BEN BARBER INNOVATION ACADEMY
High school students can earn industry-recognized certificates, professional licensure and college hours.

EARLY COLLEGE HIGH SCHOOL
Students are immersed into a college-going culture in all courses, providing them an opportunity to earn an associate degree while still in high school.

THE POWER OF CHOICE

Getting Students Ready for Life After Graduation... No Matter What Path They Choose.
