

**Mansfield ISD
School Start Time Committee
November 10, 2017**

Purpose

The Mansfield ISD formed a committee of MISD staff, parents, students, and community members to research and discuss school start times. The purpose of the School Start Time Committee is to identify the positive and negative impacts of the current school start times and to gather research on the affect changing the school start times would have on academics and instruction, operations, extracurricular activities, and family and community.

Responsibilities of the Committee

The specific role of the committee is to explore the need for additional research on the current MISD school start times for all levels. Chairs of the committee are Dr. Kelvin Stroy and Dr. Tami Vardy. The committee will produce a recommendation from the committee to the district that pertain to possible future steps regarding school start times.

- Ad hoc committees
 - Academics and Instruction
 - Operations
 - Extracurricular Activities
 - Family and Community

The above mentioned committees will conduct research on the positive and negative effects of school start time change within their specific committee. They are advisory committees set to focus on a specific aspect within the larger frame of school start times for the district. They will collaborate on research findings and conclude with a presentation and recommendation to the general committee.

Duration of Committee and/or Timeline

The committee meeting on three separate dates:

October 10, 2017

October 23, 2017

November 7, 2017
