

Charter Vision 20/25 December 19, 2017

Purpose

The purpose of this committee is to make recommendations concerning the creation of MISD Strategic Plan Vision 20/25. The committee's charge is to enrich, not replace Vision 20/20.

Responsibilities of the Committee

The Ad hoc committee will review Vision 20/20 and make recommendations to district leadership concerning the creation of measures to determine if MISD students are College, Career, and Life Ready. The committee's work will center around the work of the AASA partner movement Redefining Ready and MISD research.

Dr. Sean Scott, Assistant Superintendent for Curriculum & Instruction will chair the committee. Kristi Gonzalez, Elementary ELA Coordinator, will serve as secretary.

This Charter and minutes for all meetings are posted on the MISD website.
