I wish to register for Credit by Exam for the purpose of acceleration for my child for the course(s) indicated above. I understand a student in any of the grades 6-12 must be given credit for an academic course in which he/she has had no prior instruction of the student scores 80% on a criterion-referenced test for the applicable course. The school district must enter the examination score on the student's transcript if the student is given credit in a course on the basis of the exam.

Parent Signature Date

Testing will occur at the RL Anderson Education Complex per the test schedule developed by MISD. The test will be offered to your child free of charge.

Please return to your counselor or mail to Teresa Francis by 30 working days before the testing date.
