

MISD Simple Science Solutions Elementary Science Curriculum

<i>Six Wks</i>	<i>1st Grade</i>	<i>2nd Grade</i>	<i>3rd Grade</i>	<i>4th Grade</i>
1st 6W	(safety and journals) Properties of Matter	(safety and journals) Properties of Matter and Energy	(safety and journals) Safety & Equipment; Methods of Science; Properties of Matter	(safety and journals) Safety & Equipment; Methods of Science; Properties of Matter
2nd 6W	Energy, Force and Motion	Force and Motion	Force and Motion	Force, Motion and Energy
3rd 6W	Earth's Cycles- Weather, Seasons, and the Sky	Earth's Cycles- Weather and Seasons Looking at the Sky	Earth's Resources- Characteristics of Earth	Earth's Resources Natural World- (Changes Over Time)
4th 6W	Earth's Resources The Natural World and Water	Earth's Resources- The Natural World-	Earth's Cycles- Our Solar System	The Wetlands Biome Part I
5th 6W	Forest Biome	Tundra Biome	Ecosystems: Rainforest Biome- Part I	Organisms and Environment Part II
6th 6W	Desert Biome	The Grassland	Ecosystems: Rainforest Biome- Part II	Earth's cycles Patterns Earth & Space: Water Weather, Planets

Kindergarten Science Lessons

<i>Six Wks</i>	<i>Kindergarten</i>
1st 6W	Safety/journals (5 -SSS activities) Measurement (3 -SSS activities) Earth's Resources and Magnets (11 -SSS activities)
2nd 6W	Pumpkins (6- SSS activities) Arachnids (5- SSS activities) Bats (4- SSS activities) 5 Senses (5- SSS activities) Plants on a Farm (5- SSS activities)
3rd 6W	Animals on a Farm (6- SSS activities)/ Force and Motion (1 SSS activity) Seasons (9-SSS activities) Heat (7- SSS activities)
4th 6W	Weather (11- SSS activities) Space (6- SSS activities) Energy/Light/Sound (5- SSS activities)
5th 6W	Life Cycles of Plants (4- SSS activities) Inherited traits (5- SSS activities) Plants (11- SSS activities)/ Insects (5- SSS activities)
6th 6W	Bodies of water (13- SSS activities)
