## TECHNOLOGY ACCEPTABLE USE POLICY

### Internet Postings

The Internet, along with a host of next generation communication tools, has expanded the way in which employees can communicate internally and externally. While this creates new opportunities for communication and collaboration, it also creates new responsibilities for Mansfield ISD employees. This Internet Posting Policy applies to employees who use the following:

- Multimedia and social networking websites such as Twitter, Facebook, Yahoo! Groups and YouTube
- Blogs (Internal and External)
- Wikis such as Wikipedia and any other site where text can be posted

All of these activities are referred to as "Internet Postings" in this policy. Please be aware that violation of this policy may result in disciplinary action up to and including recommendation of termination/non-renewal of employment.

1. Internet Postings that do not identify the author as a MISD employee, do not discuss the district, and are purely personal matters would normally fall outside of this guidance.
2. Common sense is the best guide if you decide to post information in any way relating to the Mansfield ISD. If you are unsure about any particular posting, please contact the Mansfield ISD Communication and Marketing Department.
3. If an Internet posting makes it clear that the author works for the Mansfield ISD, it should include a simple and visible disclaimer such as, "these are my personal views and NOT those of the Mansfield ISD." When posting your point of view, you should neither claim nor imply you are speaking on the district's behalf, unless you are authorized in writing by the Assistant Superintendent of Communications and Marketing.
4. Personal internet postings should not reveal confidential information about the Mansfield ISD, including but not limited to, aspects of district policy or details of internal district discussions. If in doubt about what might be confidential, contact the Communications and Marketing Department.
5. Internet postings should not include Mansfield ISD logos or trademarks, and should respect copyright, privacy, fair use, personal or financial disclosure, and other applicable laws.
6. If a member of the media contacts you about an Internet posting that concerns the business of the Mansfield ISD, please refer that person to the District Communications and Marketing Department.
7. Internet postings should not violate any other applicable policy of the Mansfield ISD.
8. Mansfield ISD shall not be liable, under any circumstances, for any errors, omissions, loss or damage claimed or incurred due to any Internet postings by an employee.
9. Each employee is responsible for regularly reviewing the terms of this policy.

### INTERNET SAFETY POLICY FOR MANSFIELD ISD

It is the policy of Mansfield ISD to (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use or dissemination of personal identification information of minors; and (d) comply with the children's Internet Protection Act [Pub. L. No. 106554 and 47 USC 254(h)].

ACCESS TO INAPPROPRIATE MATERIAL: To the extent practical, technology protection measures (or "Internet filters") shall be used to block or filter access to inappropriate information.

Specifically, as required by the Children's Internet Protection Act, technology protection measures shall be used to block visual depictions of material that is obscene, contains child pornography, or is harmful to minors.

Subject to staff supervision, technology protection measures may be disabled or, in the case of minors, minimized only for bona fide research or other lawful purposes.

INAPPROPRIATE NETWORK USAGE: To the extent practical, steps shall be taken to promote the safety and security of users of Mansfield ISD's online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications.

In compliance with the Children's Internet Protection Act, Mansfield ISD has adopted and implemented measures to prevent inappropriate network usage, including (a) access by minors to inappropriate or harmful material on the

Internet; (b) unauthorized access, including so-called “hacking” and other unlawful activities by minors online; and (c) unauthorized disclosure, use, and dissemination of personal information regarding minors.

EDUCATION, SUPERVISION AND MONITORING: It shall be the responsibility of all members of Mansfield ISD’s staff to educate, supervise and monitor appropriate usage of the online computer network and access to the Internet in accordance with this policy, the Children’s Internet Protection Act, the Neighborhood Children’s Internet Protection Act, and the Protecting Children in the 21st Century Act.

Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of the Assistant Superintendent of Technology and Information Services or designated representatives. The Assistant Superintendent of Technology and Information Services may be reached at 817.299.1980.

## STATEMENT OF RESPONSIBILITY FOR EQUIPMENT AND AUTHORIZATION FOR PAY DEDUCTION

In consideration for your personal use of the Equipment off school property or outside of school-sponsored events, you assume full financial responsibility to pay for any district-approved repairs and/or replace the Equipment if it is damaged, stolen, misplaced, or for any other reason not returned. All repairs and/or replacements must be done in accordance with our district procedures found on our district's Technology intranet. The maximum amount of financial responsibility is the "Replacement Value" of the equipment. In addition, I assume full financial responsibility to pay for fees incurred when using district-owned mobile internet devices outside of the district for non-district business (ex; International fees accrued using a district hotspot). If used for district business, permission must be granted by Technology to take district devices, including cell phones and hotspots, outside of the country.

I agree that MISD may deduct money from my pay, not to exceed the Replacement Value, to cover the cost of repairing or replacing the Equipment that I may damage (other than normal wear and tear), lose, fail to return or take without appropriate authorization during my employment. I further understand that MISD has stated its intention to abide by all applicable federal and Texas wage and hour laws and that if I believe that any such law has not been followed, I have the right to file a wage claim with appropriate Texas and federal agencies. If the equipment is lost or stolen, the Superintendent or designee may reduce or eliminate my liability for loss or theft if (i) a police report is filed immediately and (ii) the Superintendent or designee does not find that the loss or theft resulted from my own wrongful or negligent acts or omissions. Such determinations shall be made on a case-by-case basis. I understand that the equipment should not be left unattended.

This statement acknowledges my possession of Equipment and assumption of financial responsibility for the Equipment usage off school property or outside of a school-sponsored event. I acknowledge that MISD has not required that I enter into this agreement as a condition of my employment with MISD. I further acknowledge that MISD may request the return of the Equipment at any time, and I will be required to return the Equipment within one business day after MISD has made such a request. The term "Equipment" as used in this Agreement shall mean the electronic textbooks or other technology equipment.

Students who use ChatGPT and similar tools on assignments without permission, or who use them in improper ways, are violating the academic integrity rules of Mansfield ISD.

The following guidelines outline the principles and rules that govern the use of AI in student academic work:

- Acknowledge and cite any AI sources or tools that you use in your work, such as websites, apps, software, or online services.
- Indicate the extent and purpose of your use of AI, such as generating, editing, summarizing, translating, or analyzing data or text.
- Do not use AI to plagiarize, which means to copy or use someone else's words, ideas, data, or work without giving proper credit or permission.
- Do not use AI to fabricate, falsify, or misrepresent any data or text that you submit as your own work.
- Do not use AI to bypass or undermine any academic requirements or assessments, such as by generating answers, solutions, or essays that you do not understand or have not learned.
- Do not use AI to harm others or violate their privacy, such as by creating or spreading false or malicious information, impersonating others, or accessing unauthorized data or systems.
- Respect the intellectual property rights of others when using AI, such as by obtaining permission, paying fees, or

following licenses when using copyrighted or proprietary data or software.

- Follow any additional guidelines or instructions provided by your District or campus administrators and teachers.

**Compliance:**

Any violation of these guidelines will be considered academic misconduct and subject to disciplinary action, such as a grade penalty or course failure. An honor council comprised of staff and students will review instances where students are accused of academic dishonesty due to the improper use of AI.

All employees must wear their ID badges at all times during working hours. Failure to wear the badge will result in disciplinary action. It should be clearly visible except in cases where the type of work does not permit the display. If the identification badge is lost or destroyed, the employee will go to the MISD Police Department to get a replacement. The identification badge must be returned upon termination of employment. Final paychecks may be held until the employee returns his/her badge.

### **Outside Employment**

#### *Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

### **Performance Evaluation**

#### *Policy DN series*

Evaluation of an employee's job performance is to be a continual process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the District. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

### **At-Will Employment, Assignments & Work Schedule**

#### *Policy DK*

All auxiliary employees, regardless of certification, are employed at-will and not by contract. Employment is not for any specified term, and may be terminated at any time by either the employee or the District. The original assignment is made at the time of employment.

Maintenance, Transportation, Student Nutrition Services, Police, Custodial and Distribution Center working hours will be dictated by the requirements of the assignment and will be assigned by appropriate supervisor. Break periods within the normal working day will be 15 minutes in length.

### **Reassignments and Transfers**

#### *Policy DK*

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (LOCAL).

A teacher with the required qualifications for a posted position may complete the application process in order to be considered a candidate for the position. The reassignment and transfer processes will be coordinated by the Human Resource Services department.

## **Safety and Reporting Accidents**

The elimination of unnecessary loss is a responsibility we all share. The conservation of Mansfield ISD's resources requires maximum effort by every employee for our benefit as well as for those we serve, the children of the Mansfield ISD.

An employee involved in an accident while on the job, or witness of accident, shall notify his/her immediate supervisor and follow Workers' Compensation procedures as outlined on page 18 of this handbook.

If an employee discovers an unsafe facilities situation (exposed wire, uneven pavement, etc.), he/she should report the situation immediately to supervisor or Risk Manager.

## **Use of District Vehicles**

Use of District vehicles must be authorized by department head. MISD vehicles are to be used for District business only. Unauthorized use of a vehicle will result in disciplinary action or termination.

## **Searches and Alcohol and Drug Testing**

*Policy DHE, CQ*

Noninvestigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

**Employees Required to Have a Commercial Driver's License.** Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Risk Management at 817.299.6330.

**Employees Not Required to Have a Commercial Driver's License.** If an employee is going to transport students using a district or rented vehicle, the employee must complete a driving record check through the MISD Transportation department prior to transporting students

## **Staff Development**

### *Policy DMA*

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable certificates and/or licenses are responsible for obtaining the required training hours and maintaining appropriate documentation.

All employees will be required to attend all in-service training, safety and emergency training, and/or staff development meetings

## **Promotions**

All openings will be posted on the MISD website ([www.mansfieldisd.org](http://www.mansfieldisd.org)). Anyone can apply for these openings. Applicants, both from within the District and those from outside the District, may be interviewed and screened by the department director.

## **Appearance & Uniforms**

Employees should remember that they represent both the Mansfield ISD and the department and often set an example for the students at the schools.

Maintenance, Operations, Distribution Center, Transportation Mechanics, Student Nutrition Services and Police personnel wear uniforms. The employee should wear a clean set of uniforms each day. The employee is responsible for the cleaning of the uniforms. An employee may purchase extra sets of uniforms from the MISD supplier.

Employees who are provided full or partial uniforms from their department should only wear the uniform while at work. Employees are not permitted to wear their uniform while off-duty (the policy excludes Police uniforms).

All employees shall be fully dressed at all times. Working without shirts, shoes, etc. is not acceptable. Hair and beards shall be kept neat and clean at all times. Long hair will be maintained in such a fashion that it is not unsafe for the employee in their particular job assignment.

## **Compensation and Benefits**

---

### **Automatic Payroll Deposit**

Employees are encouraged to have paychecks electronically deposited into a designated account. A notification period of 30 days is necessary to activate this service. Contact Payroll for more information about the automatic payroll deposit service.

### **Cafeteria Plan Benefits (Section 125)**

Employees working at least 18 hours per week are eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

### **Health, Dental, and Life Insurance**

*Policy CRD*

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact Benefits for more information.

### **Overtime Compensation**

*Policy DEA, DEAB, DK, DL, DEC*

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours. For the purpose of calculating overtime, a workweek begins at 12:01 a.m. Monday and ends at 12:00 midnight Sunday.

Unless a department-approved special circumstance exists in order to meet the needs of the District, Nonexempt Auxiliary employees that are paid on a salary basis are paid for a 40-hour work-week and do not earn additional pay unless they work more than 40 hours.

Overtime work is to be kept at a minimum. When necessary, overtime must be arranged and approved by the department manager ahead of time. Overtime is paid at the rate of 1-1/2 times the rate of the regular straight-time pay for all approved hours **physically worked in excess of forty (40) hours per week.**

### **Call Outs/Emergency Overtime**

It is the responsibility of the person accepting the request for emergency overtime to maintain a record of the name and position of the person who telephoned in the emergency as well as the time the phone call was received. When possible, employees responding to an emergency should have access to a District vehicle, which will be driven to the site (equipped with proper tools and supplies) to complete the repairs. This will help to eliminate unnecessary delays in correcting the problem.

It is the responsibility of the appropriate supervisor to review all emergency overtime worked to ensure the appropriateness of the action taken and the time utilized.

The person responding to the emergency after normal work hours will be authorized to receive a minimum of two hours of overtime pay if they have worked at least 40 hours

during the week. If there is a holiday during the week, the holiday hours will count towards the 40-hour work week requirement, in order to be paid at the overtime rate. If the time exceeds two hours, then overtime pay will be earned for the time worked, if the employee has exceeded 40 hours during the week. If the employee did not work 40 hours during the week, the employee will be paid two hours of straight time pay at their regular pay rate. No additional hours for another emergency can be charged for the same two-hour period of time that has already been used for a previous emergency.

### **Timekeeping of Hours Worked**

Employees whose jobs are subject to overtime pay regulations will report time worked on a timecard or through electronic timekeeping measures. Timecards and electronic timekeeping records **must accurately reflect hours worked.** No employee shall allow another employee to sign in or out or to use the electronic timekeeping tool on his behalf. Timecards are to be signed by the employee and supervisor at the end of the pay period, and electronic timesheets will be submitted by employees each week. Any changes made to the timecard/timesheet/electronic timekeeping tool must be documented and approved the supervisor. Any employee who falsifies a timesheet/timecard/electronic timekeeping document will be subject to termination of employment.

### **Paychecks**

Hourly auxiliary employees who do not receive annualized paychecks will be paid every two weeks. Paychecks will not be released to any person other than the District employee named on the check without the employee's written authorization. The Payroll Department should be called if there are questions about payroll statements. Biweekly payroll will occur every other Friday, with the exception of holiday weeks. The schedule for pay days can be found on the Payroll department's website. It is the responsibility of the employee to review the accuracy of their pay statements.

Auxiliary employees who receive annualized paychecks will be paid once per month, generally on the 20th of each month.

### **Terminating Employee Paychecks**

MISD is not required to pay early when an employee terminates for any reason. The policy of this department is to pay all personnel at the next regular pay period.

After termination papers are presented to the Payroll Department, terminating personnel may pick up their checks from the appropriate supervisor or the Payroll Office. Deductions for uniforms, equipment, personnel badges, keys or other school property shall be deducted from the final paycheck if said items are not returned.

## **Payroll Deductions**

*Policy CFEA*

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired in the district after March 31, 1986)

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and MISD Education Foundation. Salary deductions are automatically made for unauthorized or unpaid leave.

**Overpayments.** Employees are not entitled to any funds the district overpays. An overpayment occurs if an employee is paid more than the amount the employee should have been paid under the assigned pay grade and applicable supplemental pay. If an overpayment is reported in the current fiscal year, a payment plan will be developed to recoup the payment. Generally, an overpayment will be paid in one pay cycle. However, if this creates an undue hardship for the employee, the district has the discretion to develop a plan for regular payroll deductions in the same fiscal year. An agreement between an employee and the district must be in place to deduct any overpayment.

## **Salaries, Wages, and Stipends**

*Policies DEA, DEAA, DEAB*

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or non-exempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as non-exempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 16.)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact Human Resource Services for more information about the district's pay schedules.

## **Supplemental Insurance Benefits**

*Policy CRD*

At their own expense, employees may enroll in supplemental insurance programs during open enrollment. Premiums for these programs can be paid by payroll deduction. Employees should contact Benefits for more information.

## **Retirement**

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides

members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify Payroll as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the Web ([www.trs.texas.gov](http://www.trs.texas.gov)).

## **Unemployment Compensation Insurance**

*Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact Human Resource Services.

## **Workers' Compensation Insurance**

*Policy CRE*

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has self-insured workers' compensation coverage, meaning MISD pays for all workers' compensation claim benefits from its own budget.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to a nurse or supervisor, who will then notify the Workers' Compensation department. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, page 29 for information on use of paid leave for such absences.

## **Leaves and Absences**

---

*Policies DEC, DECA, DECB*

### **Introduction**

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days must call Benefits at (817) 299-6356 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Employees who take an unpaid leave of absence may continue their insurance benefits at their own expense. The District's contribution for health care benefits for employees who qualify, under the Family/Medical Leave Act (FMLA), will be paid by the District for up to 12 weeks, as they were when they were working. The District does not make benefit contributions for employees who are on unpaid leave.

Employees must follow District and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

**Use of Leave.** Leave is available for the employee's use upon reporting to work at the beginning of the year. However, state and local leave is earned on a yearly basis. Leave allocation will be prorated based on the number of days an employee works per year. An employee shall not earn any local leave when he or she is in unpaid status. If an employee leaves the district before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee's final paycheck in the form of other available leave or in monetary equivalent.

Paid leave must be used in hour, half-day, or whole increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local days
- State days
- Non-duty or non-contract days (226-day employees)
- Vacation (261 day-employees)

**Immediate Family.** For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show." An employee who is absent for 3 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

**Medical Certification.** Any employee who is absent more than 5 days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work. The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or

received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

**Continuation of Health Insurance.** Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave. Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

### **Earned Leave: Personal, State Sick, Local**

**Personal Leave.** State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of earned personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. There are two types of personal leave: nondiscretionary and discretionary.

**Nondiscretionary.** Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary leave will be granted to employees in the same manner as state sick leave.

- An employee absent more than 5 consecutive workdays because of personal illness shall submit, upon return to work, a medical certification of illness and of his or her fitness to return to work.
- An employee absent more than 5 consecutive workdays because of illness in the immediate family shall present, upon return to work, medical certification of the family member's illness.

**Discretionary.** Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor 5 days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

- Discretionary leave may not last more than 3 consecutive workdays. **Any days above three will be docked at the employee's daily rate of pay.**
- Discretionary leave may not be taken on the first day or last day of school or the day before or after a school holiday/break. An employee will be docked the daily rate of pay for leave taken on these days.
- Discretionary leave may not be used to extend days off before or after breaks, holidays, or designated SDCE days. An employee will be docked the daily rate of pay for leave on these days.

**Leave Proration.** If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

**State Sick Leave.** State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. **State sick leave may be used for the following reasons only:**

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)

- Death in the immediate family
- Active military service

**Local Leave.** Employees shall earn an additional five equivalent workdays of local personal leave per school year, concurrently with state personal leave. An employee shall not earn any local leave when he or she is in unpaid status.

**Non-Duty Days.** Some employees on 226-day contracts who work the entire contract year receive 6 non-duty days per year. These non-duty days may be used as soon as they are granted and are valid for 18 months after their issuance. As a general rule, any non-duty days not used by their expiration date will no longer be valid for use. An employee may ask permission of the Superintendent/Superintendent's Designee to carry over a maximum of 2 non-duty days per year. If an employee separates from employment with the District before his last duty day of the year, then he would not have earned his non-duty days for that year. Therefore, any non-duty days that were taken but not earned will be deducted from the final paycheck in the form of available leave or compensation if no leave time is available. Certain 226-day auxiliary positions have specific calendars designed to ensure the needs of the district are met year-round. Employees working in these positions do not have non-duty days allocated to them. Instead, these employees will adhere to duty day calendars with six non-working days included in place of non-duty days.

**Holidays.** To be paid for holiday time off, an employee must work full 8-hr days (or 4-hrs if part time) on the last working day prior to a holiday period and the day following the holiday, unless on paid vacation, extended medical leave (FMLA, Sick leave bank/pool, etc.) with paid leave through accrued personal leave or sick leave bank/pool. Holiday pay is granted based on compliance with the procedure below.

Holiday pay is not earned and prorated, as is personal leave or vacation. Only employees who work 261 days receive holiday pay. 261-day part time employees who work 4 hours every day also receive holiday pay. These employees normally receive pay for: two (2) days for Thanksgiving and three (3) days for Christmas. Employees receive one (1) day each for Memorial Day, Independence Day, Labor Day, New Year's and Martin Luther King for a total of ten (10) days.

**Vacation (Policy DED Local).** A 261-day employee working 40 hours per week or more, shall earn vacation days at a rate of .833 days per month for years 0–10, not to exceed ten days per year. After completion of ten consecutive years as a 261-day employee working 40 hours per week or more with the

District, the employee shall earn vacation days at the rate of 1.25 days per month, not to exceed 15 days per year.

A break in employment of six months shall cancel all creditable experience prior to the break in service.

Time during which an employee is not physically working beyond accrued paid leave does not count toward accumulation of vacation days. Any unearned vacation taken by an employee shall be de-deducted from the employee's last paycheck.

### **Additional Information**

A break of employment of six (6) months will cancel all creditable experience prior to the break in service. Exceptions: military service, workers' compensation.

Simultaneous employment (working two positions) will not count for more than the equivalent of one full time employment.

Time during which an employee is not **physically at work** due to personal medical leave beyond accrued personal leave days or time during which the employee is on workers' compensation beyond accrued personal leave days **does not count** toward accumulation of vacation days.

Vacation Scheduling: Earned vacation time may be approved in periods of one (1) day or more when such vacation will not interfere with the needs of the department or such vacation is necessary to meet an emergency.

All accrued vacations must be used by December 31 of the following year, unless approved by administration.

### **Family and Medical Leave (FML)—General Provisions**

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

#### **What is FMLA leave?**

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with job-protected leave for qualifying family and medical reasons. The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take up to 12 workweeks of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you.
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness **may take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is **not paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

#### **Am I eligible to take FMLA leave?**

You are an **eligible employee** if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew members have different “hours of service” requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

### How do I request FMLA leave?

Generally, **to request FMLA leave you *must***:

- Follow your employer’s normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You **do *not* have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You ***must also inform your employer if FMLA leave was previously taken*** or approved for the same reason when requesting additional leave.

Your **employer *may* request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights. State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

### What does my employer need to do?

If you are eligible for FMLA leave, your employer ***must***:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer *cannot* interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

## **Jury Duty**

### *Policies DEC, DG*

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

## **Local Procedures for Implementing Family and Medical Leave Provisions**

Eligible employees can take up to 12 weeks of unpaid leave in a 12-month period beginning on the first duty day of the school year. For the purposes of an employee's entitlement to FMLA leave, the 12 month period shall be defined as the 12 month period beginning on the first duty day of the school year.

**Use of Paid Leave.** FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses.** Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. Employees must make reasonable efforts to schedule for planned medical treatment so as not to unduly disrupt the employer's operations. Intermittent leave may be taken under the following circumstances:

- An employee is needed to care for a seriously ill spouse, child or parent.
- An employee requires medical treatment for serious illness.
- An employee is seriously ill and unable to work.
- An employee becomes a parent or has a foster child placed in his or her home.

**Fitness for Duty.** An employee who takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider.

When leave is taken for the employee's own serious health condition, the certification must address

the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

**Reinstatement.** An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA (LEGAL)).

**Failure to Return.** If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

**District Contact.** Employees that require FML or have questions should contact Sabine Padilla at 817-299-6335 for details on eligibility, requirements, and limitations.

### **Compliance with a Subpoena**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances. If the court appearance is due to a personal matter, then days of personal leave must be used for the absence, in accordance with DEC (LOCAL).

### **Truancy Court Appearances**

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

### **Religious Observance**

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

### **Other Leave Options**

The district provides other leave options. Please refer to Board Policies DEC (LEGAL) and DEC (LOCAL) for more information.

**Assault Leave.** Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident

involving as assault is a work-related injury, and should be immediately reported to the employee's supervisor.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

**Bereavement Leave.** Use of state leave and/or local personal leave for death in the immediate family shall not exceed five workdays per occurrence, subject to the approval of the superintendent.

**Leave for Peace Officers.** Refer to Board Policy DEC.

**Military Leave.** Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty ordered by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

***Reemployment after Military Leave.*** Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Human Resources. In most cases, the length of federal military service cannot exceed five years.

***Continuation of Health Insurance.*** Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Benefits for details on eligibility, requirements, and limitations.

**Temporary Disability Leave for Certified Employees.** Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave will not exceed 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, Human Resource Services and Benefits should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

### **Sick Leave Bank**

All full time employees may participate in the District's sick leave bank by completing a form within the first 30 days of employment. Returning employees need to sign up during the month of August during open enrollment. To join, employees must donate 2 sick days. The Sick Leave Bank forms and guidelines are located in the Administrative Handbook under Absences or contact Gina Rietfors 817-299-6330.

### **Workers' Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absences exceed seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Benefit payments may be delayed if the doctor fails to make prompt and regular reports to the Workers' Compensation Department. To establish evidence of eligibility to receive benefits under the Workers' Compensation Act, a staff member must comply with the following procedures:

- Personnel injured or involved in an on-the-job accident must report the injury and/or the accident to his/her supervisor **immediately**.
- Employees absent from work two or more days due to a work-related injury must have a doctor's release statement and approval from the Workers' Compensation department before returning to work.
- If the employee injured is unable to report the injury, he/she shall have someone report for him/her to the supervisor. This does not relinquish the responsibilities of the injured employee to report to the supervisor as soon as possible.
- The employee shall choose a treating physician who accepts workers' compensation insurance.
- **During any period of disability, it will be the responsibility of the employee to call the Workers' Compensation department weekly to report the employee's work status and to relay medical information which is pertinent to his/her case.** Each time the employee goes to the doctor, it will be the employee's responsibility to bring or mail a copy of the attending doctor's statement to the Workers' Compensation office, 203 Hillcrest Street, Mansfield, Texas, 76063, or fax to (817) 548-2192. Failure to comply could affect benefits.
- An employee receiving workers' compensation wage benefits for a work-related illness or injury may choose to use accumulated personal leave or any other paid leave benefits. **An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage.** If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absences resulting from a work-related illness or injury, which may not equal to his or her pre-illness or injury wage.

- If an employee is inactive, the District may fill the position, based upon the immediate needs of the District, except when an employee qualifies for the Family Medical Leave Act (FMLA). If on FMLA, the employee can be put on an inactive list after the FML expires.
- Once an employee receives documentation from his/her attending physician that he/she can return to work, the employee must submit the release to the Risk Management department. If the employee has been placed on inactive status, the employee will be assigned to the most suitable job available at that job's pay grade.
- If an employee provides documentation from his/her attending physician that he/she can return to limited duty with restrictions, the employee must present the stipulated release to the Workers' Compensation department for approval. If an employee is on inactive status and returns to a limited duty position, the employee will be paid at that job's pay rate.
- If the employee's position has been filled, the employee may apply for a position for which he/she is qualified. If the District offers the employee a comparable job after the employee has been released to return to work and the job assignment is refused, the employee will be terminated.

## **Employee Relations and Communications**

---

### **Complaints and Grievances**

#### *Policy DGBA*

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees.

### **District Communications**

Throughout the school year, the district's communication office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

### **Employee Appreciation and Recognition**

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities.

## **Employee Conduct and Welfare**

---

### **Disciplinary Action**

The goals of discipline are to remedy improper conduct on the part of an employee and to maintain an effective work force.

representative present. An interpreter may be present any time the supervisor or the employee deems necessary.

- Non-school employment

Employees should contact their supervisor for additional information.

## **Discrimination, Harassment, and Retaliation**

*Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. ## **Gifts and Favors**

### *Policy DBD*

Employees may not accept gifts or favors that could influence, or be construed to influence, the employee's discharge of assigned duties. The acceptance of a gift, favor, or service by an administrator or teacher that might reasonably tend to influence the selection of textbooks, electronic textbooks, instructional materials or technological equipment may result in prosecution of a Class B misdemeanor offense. This does not include staff development, teacher training, or instructional materials such as maps or worksheets that convey information to students or contribute to the learning process.

## **Telephone Usage**

Telephone lines must not be tied up with personal calls. Friends and relatives should be asked not to call unless the reason is an emergency. Personal long-distance calls are prohibited. Use of a District telephone or personal cell phone during working hours for personal use may result in disciplinary action or termination.

## **Language**

No employee shall at any time use obscene or suggestive language or obscene or suggestive gestures of any kind. Any employee found in violation will be subject to disciplinary action including termination.

## **Conduct**

Each employee is responsible for developing good will for the District through a courteous, cheerful, and helpful attitude. Proper care of plant facilities and equipment representing vast investments in the public-school program by the general public is the responsibility of all school employees.

## **Radio Communication Procedures**

All employees required to use any type of radio communication equipment will be given procedures, which must be followed. Failure to abide by the guidelines will result in disciplinary action and could result in termination.

## **Motor Vehicle Reports (MVR)**

The District will examine the driving record of any employee whose duties require him/her to operate District vehicles. If the driving record of an employee whose job requires operating District vehicles is returned or becomes such that the employee exceeds the maximum allowable points, as outlined by TEA, for School Bus Drivers, or can no longer be covered by District insurance, the employee may be terminated.

## **Tardiness or Excessive Absenteeism**

In determining whether an employee should be terminated due to excessive tardiness or absenteeism, the following definitions will apply:

- A. **Tardiness** – Employees are expected to be at work at their scheduled start time. An employee consistently arriving after the scheduled time could be considered tardy.

- B. **Excessive Absenteeism** - Any employee who has exhausted all leave and has any four (4) separate days of absence (no pay) within a current school year will be considered to be in excessive absenteeism.

### **Absence from Work**

Employees who will be absent or late arriving to work must contact the appropriate department. Guidelines for reporting absences and late arrivals (who to contact and times to call, etc.) will be given by each department.

In case of prolonged absence due to sickness or injury, daily call procedures may be amended on the authorization of the employee's supervisor. Absence for three (3) consecutive days without notifying the designated department will justify immediate termination (no-call, no-show).

A doctor's release will be required and presented to the Benefits Department before returning to work for any absence of more than five (5) consecutive days. This doctor's statement must state "Full Duty - No Restrictions" or list required restrictions. The Mansfield ISD does reserve the right to check with the individual's doctor on an employee's work status and to determine if the employee can perform his/her assigned duties. An employee absent more than five (5) consecutive workdays because of illness in the immediate family shall present, upon return to work, medical certification of the family member's illness.

Any employee who has exhausted his/her sick leave will be required to have a conference with the supervisor in his/her department. During the conference, all the information and documentation on the absenteeism will be reviewed and a course of action will be determined.

Any employee's request for absence without pay will be considered only when all sick leave and accrued vacation days have been exhausted.

If an employee is sick or injured off the job, and has not been granted or is not eligible for a leave of absence and does not qualify for Family Medical Leave, or FML is exhausted and the employee does not return to work after fifteen (15) days of full dock due to no leave available, the position will be posted and will be permanently filled (based on the immediate needs of the employee's department and the needs of the District). The employee will be terminated from employment if unable to return to work at this time.

If the employee presents a doctor's statement stating "Full Duty - No Restrictions," he/she may return to duty when a job comes open or the employee is eligible for a vacancy existing in another department. Terminated employees will need to reapply for employment

If an employee appears to be having health difficulties in performing his/her job assignment, the MISD may send such employee for a physical examination.

If the employee provides documentation from his/her personal physician that he/she can return to full duty, the MISD reserves the right to consult with another physician before allowing the return to work.

Failure to follow the above procedure will result in being dismissed from the MISD.

### **Student Contact**

Employees shall limit conversations with students to specific information that would be required to perform their duties. No employee shall attempt to discipline or punish a student. The need for discipline shall be reported to the teacher or principal for action.

Employees shall refrain from physical contact with students at all times. No auxiliary employee shall allow any student into the building before or after school hours without the principal's written approval.

Auxiliary employees shall not communication electronically with students.

All parent complaints will be referred to the appropriate supervisor and/or principal and will be investigated.

## **Personal Use of Electronic Communications**

*Policy CQ, DH*

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communication interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student records. *[See Policy FL]*
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. *[See Policy DH (EXHIBIT)]*
  - Confidentiality of district records, including educator evaluations and private email addresses. *[See Policy GBA]*
  - Copyright law. *[See Policy CY]*
  - Prohibition against harming others by knowingly making false statements about a colleague or the school system. *[See DH (EXHIBIT)]*

See *Use of Electronic Communications between Employees and Students*, page 40, for regulations on employee communication with students through electronic media.

## **Pest Control Treatment**

*Policies CLB, DI*

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the district's integrated pest management program. Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located in an area of common access of the facility to be treated. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written, or electronic means. Pest control information sheets are available from campus principals or facility managers upon request.

## **Possession of Firearms and Weapons**

*Policies DH, FNCG, GKA*

Employees, visitors, and students, including those with a license to carry a handgun, are prohibited from bringing firearms, knives, clubs, or other prohibited weapons onto school premises (i.e., building or portion of a building) or any grounds or building where a school-sponsored activity takes place. A person, including an employee, who holds a license to carry a handgun may transport or store a handgun or other firearm or ammunition in a locked vehicle in a parking lot, garage, or other district provided parking area, provided the handgun or firearm or ammunition is properly stored, and not in plain view. To ensure the safety of all persons, employees who observe or suspect a violation of the district's weapons policy should report it to their supervisor or call the Mansfield ISD Police Department immediately.

## **Public Information on Private Devices**

*Policy DH, GB*

Employees should not maintain district information on privately owned devices. Any district information must be forwarded or transferred to the district to be preserved. The district will take reasonable efforts to obtain public information in compliance with the Public Information Act. Reasonable efforts may include:

- Verbal or written directive
- Remote access to district-owned devices and services

## **Reporting Crime**

*Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

## **Reporting Suspected Child Abuse**

*Policies DG, FFG, GRA*

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the

event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## **Reporting Suspected Bullying of Students**

### *Policy FFI Local*

Bullying occurs when a student or group of students engages in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the District and that:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
- Is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

This conduct is considered bullying if it:

- Exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and
- Interferes with a student's education or substantially disrupts the operation of a school.

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form. The principal or designee will investigate this claim according to Board Policy FFI (Local).

## **Safety and Security**

### *Policy CK series*

The district has developed and promotes a comprehensive program to ensure the safety and security of its employees, students, and visitors. The safety and security program includes written guidelines and procedures for responding to emergencies and activities to help reduce the frequency of accidents and injuries. See Emergencies on page 43 for additional information.

Employees must follow established protocols and response to emergencies for each campus and department. Refer to written security procedures specific to your location and work area.

To prevent or minimize injuries to employees, coworkers, and students and to protect and conserve district equipment, employees must comply with the following requirements:

- Observe all safety rules.
- Keep work areas clean and orderly at all times.
- Immediately report all accidents to their supervisor.
- Operate only equipment or machines for which they have training and authorization.

While driving on district business, employees are required to abide by all state and local traffic laws. Employees will exercise care and sound judgment on whether to use hands-free technology while the vehicle is in motion.

### *Policy DH (LOCAL)*

Each employee shall adhere to District safety rules and regulations, including:

1. Each employee shall keep their classroom door locked at all times during class during the school day, and
2. Each employee shall report unsafe conditions or practices to the appropriate supervisor.

Violations of district safety policy, regulations, and guidelines may result in disciplinary action, up to and including termination of employment.

Employees with questions or concerns relating to safety programs and issues can contact Risk Management at 817-299-6330.

## **Sexual Abuse and Maltreatment of Children**

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed in the Counseling Department (817-299-6363). As an employee, it is important to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse* on page 35.

## **Standards of Conduct**

### *Policy DH*

All employees are expected to work together in a cooperative spirit to serve the best interests of the district and to be courteous to students, one another, and the public. Employees are expected to observe the following standards of conduct:

- Recognize and respect the rights of students, parents, other employees, and members of the community.
- Maintain confidentiality in all matters relating to students and coworkers.
- Report to work according to the assigned schedule.
- Notify their immediate supervisor in advance or as early as possible in the event that they must be absent or late. Unauthorized absences, chronic absenteeism, tardiness, and failure to follow procedures for reporting an absence may be cause for disciplinary action up to and including termination.
- Know and comply with department and district policies and procedures.
- Express concerns, complaints, or criticism through appropriate channels.
- Observe all safety rules and regulations and report injuries or unsafe conditions to a supervisor immediately.
- Use district time, funds, and property for authorized district business and activities only.

All district employees should perform their duties in accordance with state and federal law, district policies and procedures, and ethical standards. Violation of policies, regulations, or guidelines may result in disciplinary action, including termination. Alleged incidents of certain misconduct by educators, including having a criminal record, must be reported to SBEC no later than the seventh day after the superintendent knew of the incident.

## **Technology Resources**

### *Policy CQ*

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district;
- Does not unduly burden the district's technology resources; and
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and/or legal action. ## **Use of Electronic Communications between Employees, Students, and Parents**

### *Policy DH*

A certified employee, licensed employee, or any other employee designated in writing by the Superintendent or a campus principal may use electronic communication, as this term is defined by law, with currently enrolled students only about matters within the scope of the employee's professional responsibilities. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communication with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
- The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
- The employee shall include his or her immediate supervisors as a recipient on each text message to the student so that the student and supervisor receive the same message; or
- For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district e-mail address.
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.
- The employee shall not communicate directly with any students between the hours of 9pm and 7am. An employee may, however, make posts to a social network site, blog, or similar application at any time.
- In accordance with ethical standards applicable to all District employees [see DH(EXHIBIT)], an employee shall be prohibited from using electronic communications in a manner that constitutes prohibited harassment or abuse of a District student; adversely affects the student's learning, mental health, or safety; includes threats of violence against the student; reveals confidential information about the student; or constitutes an inappropriate communication with a student, as described in the Educators' Code of Ethics.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics including:
  - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
