5. If you need additional space for your answers, attach an additional sheet or sheets as needed. Be sure to indicate what question number and page this refers to.

DISQUALIFICATION

There are very few automatic basis for rejection. Even issues of prior misconduct, employee terminations, and arrests are usually not, in and of themselves, automatically disqualifying. However, deliberate misstatements or omissions can and often will result in your application being rejected, regardless of the nature or reason for the misstatements/omissions. In fact, the number one reason individuals "fail" background investigations is because they deliberately withhold or misrepresent job-relevant information from their prospective employer.

This personal history statement is a governmental document. Be truthful, as there are criminal consequences for lying on a governmental document.
