

Single Sign On is a feature that has been added to parent Skyward access in Mansfield ISD. This feature allows parents direct access to their child's State assessment scores with one click.

The Texas Assessment Student Portal offers parents and students the following resources:

- Understanding Your Child's Score
- All About the STAAR Test
- How to Help My Child Prepare
- Literacy and Lexile® Measures
- The Quantiles® Framework for Mathematics
- FAQs

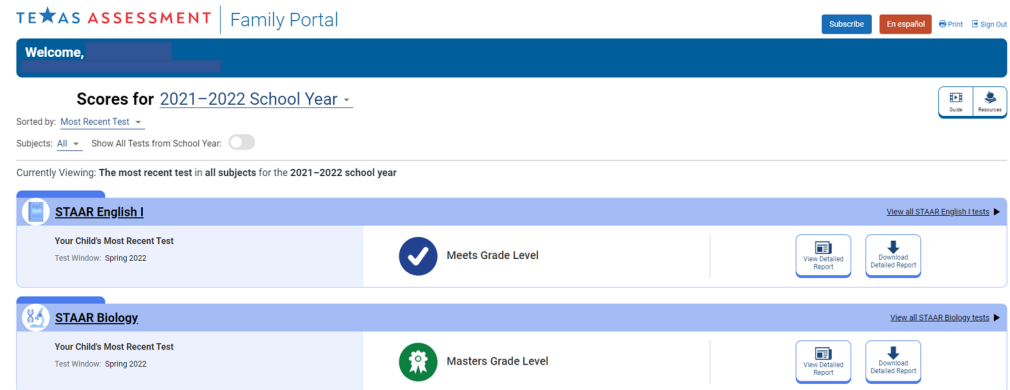

When a guardian logs in to Skyward, look for District Links in the top right corner. Click this link and choose TEA Texas Assessment Cambium. There will be a line for each student if you have multiple children enrolled in MISD.

This will open a new window and log the guardian directly into the Texas Assessment Family Portal. Once in the Family Portal, choose the school year you would like to see scores for. Click **View Detailed Report** or **Download Detailed Report** for more information on each test.

View Detailed Report will provide you access to:

- Overall results
- Category Results
- Test Questions
- Responses
- Lexile® Trend
- Resources to Help Your Child

If you have any questions, please contact your child's campus.
