Mansfield ISD Statement Regarding Employee Domestic Violence Arrest

Mansfield ISD officials are continuing to monitor the news reports regarding a family domestic violence situation that occurred in Mansfield late last night. At this time, we can confirm that the alleged suspect, Thomas Boykin, is an employee of Linda Jobe Middle School. Mr. Boykin was immediately placed on leave once the district was notified of his arrest. The superintendent is moving forward with his proposed termination to the Board of Trustees for approval.

Due to the ongoing investigation and privacy laws, this is the only information we are able to share at this time.

We know this news is upsetting for our entire community. We have additional counseling staff available for any students and staff who may need support.

Mansfield ISD does not condone this type of behavior in our schools or community. Our thoughts and support are with the victims.
