### FINE ARTS BELIEFS

The MISD Fine Arts Performance Expectations provide minimum performance requirements by program governing district and campus-level Performing Arts programs. The information contained herein has been organized by arts strand to guide teachers in successfully administering their campus Performing Arts programs. Additionally, the Fine Arts Performance Expectations provides expectations with participation in District, Association, and UIL events (*i.e.*, *TAEA*, *TDEA*, *TETA*, *TMEA*, *ITS*, *etc.*). The basis for these expectations, which have included the historic events that have improved programs and student outcomes for the MISD Fine Arts Department are not to limit teachers discretion; rather, it is intended to unify student experiences among campus levels.
