

Student Name Change Form

Change of Legal First Name

If requested by the student and approved by a parent/legal guardian, a student may change their First Name in the yearbook. For students who have legally changed their name, presentation of the name change document must be submitted to the campus registrar.

If the student has chosen to keep their name or gender confidential from a parent/guardian, the school cannot change the information in the student yearbook.

Student ID:		Date of Birth:	
Student Current Full Name: (Print)		Grade Level:	

Change First Name to: (Print)
