## USING THE MISD_GUEST WIFI NETWORK

The MISD_Guest wifi provides Internet only. MISD users connected to it will not be able to access resources inside the MISD network, such as Skyward Gradebook and the technology work order system. It provides an 8 hour "lease time", meaning users will need to re-connect daily. The wireless network setup screen may look different on devices; however, the process for connecting is the same.

CONNECTING TO THE MISD_GUEST WIFI NETWORK
