NO CELL PHONES IN CLASS

All student cell phones will be kept in an organizer by teacher desk. When the bell rings, all students should have placed their cell phone in the organizer, if a student has their cell phone without permission it is an automatic referral, **no exceptions**. In order to complete course work, students need to bring their iPad, fully charged, every day. There are 2 student computers available if your iPad breaks. If the student is unprepared and does not bring charged iPad and is therefore unable to complete course work, they will receive a zero for the incomplete work.

Requested Classroom Supplies: Kleenex, Hand Sanitizer, Clorox wipes and/or Crayola markers. Any donations to the classroom are greatly appreciated.

Course Information:

The Principles of Health Science course provides students with an introduction to careers in healthcare and explores the education and training needed to obtain specific healthcare degrees. Students will gain insight into the functionality of the teamwork environment now utilized in the field of healthcare. This course strives to enhance the student's ability to successfully secure employment or pursue advanced education in healthcare, in order to one-day transition to clinical or work- based experiences in the medical field.

Even though there is not a certification associated with this course, Principles of Health Science is considered an eligibility requirement for entry into many certification courses in the Health Science Program of Study.

Certification: This is a non-certification course (for grades 9-12).

Class Rules:

1. Respect facilities and all individuals, including yourself. Respect is both verbal and physical.
2. Follow the rules (have your i.d. on, be in dress code, and follow the acceptable use policy for iPads and electronics). In general, cell phones should be put away during instructional time. There will be times when it is necessary for a student to use his/her cell phone for an educational activity (such as a review game or research). If a student is using their device inappropriately, they will be asked to put the device away.
3. Be prepared, bring necessary supplies including iPad (fully charged).
4. Plan ahead. Take care of your personal business before or after class. Students are expected to use the restroom, retrieve items from lockers, and tend to office business during passing periods or lunch.
5. No excuses, No whining.

Late Work:

* Teacher designates due date and time for assignment (Beginning of class period, End of class period, designated time of day)

* If student fails to meet the due date and time, then the student has till the next class period (next A day or B day) to turn in assignment to be considered one day late.

* Students will be assessed a penalty of 30% points for up to one class period late.

* Score of a zero may be given for work turned in after one day late.

Makeup Work: (because of absence for any class missed)

- * The teacher may assign the student makeup work based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills or in meeting subject or course requirements.
- * A student will be responsible for obtaining and completing the makeup work in a satisfactory manner and within the time specified by the teacher. When absent, the student is afforded the number of days missed plus one additional day to turn in makeup work. [A/B Block Example: A student misses Monday and Tuesday of the week and he/she returns on Wednesday of that same week. Student work from Monday's absence is considered late after Friday, and student work from Tuesday's absent is considered late after the following Monday.]
- * A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.
- * A student is encouraged to speak with his/her teacher if the student knows of an absence ahead of time, including absences for extracurricular activities, so that the teacher and student may plan any work that can be completed before or shortly after the absence.
- * A student will be permitted to make up tests and turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with time lines approved by the principal and previously communicated to students.
- * See UIL Eligibility ("No Pass/No Play") guidelines for additional information related to grades and UIL Eligibility.

Test Retakes:

- * Students who fail a major test/assessment (below 70%) will be allowed to retake or correct up to a 70% grade. This does not include semester examinations.
- * Students are expected to make arrangements with the teacher to retake or correct a major test/assessment.
- * Students are encouraged to participate in tutoring opportunities before retaking a test.
- * Each teacher will communicate routine requirements for retakes and corrections in his/her course syllabus.
- * All retakes or corrections must be completed prior to the end of each six week grading period unless the student is afforded time, after the six week grading period, as a result of the district's absent/make-up guidelines.

* See UIL Eligibility (“No Pass/No Play”) guidelines for additional information related to grades and UIL Eligibility.

Grading policy: All assignments will be graded and returned to the student as soon as possible.

SEMESTER GRADES

- Semester grades are computed by averaging the numerical grades recorded for each of the three six week reporting periods and the course semester exam.
- All courses
 - First Six Weeks = 26% Second Six Weeks = 27% Third Six Weeks = 27%
 - Semester Exam = 20%
- Course credit is awarded with a grade of 70 or higher. If a student fails either semester of any MISD yearlong course and passes the opposite semester with a high enough grade for an overall average of 70 for the full course, a full credit will be granted. In this situation, for averaging to occur, the courses must have been taken during the same school year and in consecutive semesters.
