

# CAMP

## September news

### COMPUTERS

In computers we are technology-ing it!  
K & 1st are identifying computer parts and working on mouse and trackpad control.  
2nd-4th are focusing on digital citizenship, the purpose of computer parts, and signing into their Google Accounts.

\*Optional students can bring their own earbuds or headphones to use in the computer labs as well as their classrooms. Please place them in a ziplock bag with your child's name and teacher's name on it.

### MUSIC

We are having fun in music class learning about instruments, voice, and our school WAVE expectation through song:

K/1st - story telling through singing and rhythm sticks.

2-4th - doing drum circles and creating their own beats.

#### Announcements:

Davis Choir (meets every Tu/Thurs 7:30am starting 9/18) (3-4th grades only) Begins on Sept. 18th at 7:30am in music room. Must have a permission form signed and be ready for singing for future performances.

Fort Worth Opera Field Trip  
Mon. Sept. 24th our (3rd grade only) at 10am will be headed to the MISD PAC -must sign permission form.

### PE

Physical Education is an integral part of your child's education that contributes to his/her growth and development. It is the goal to give your child a positive P.E. experience and to help him/her gain an appreciation of the importance of staying healthy through lifetime fitness and recreational activities. An expectation this year is working on sportsmanship. Learning how to expect outcomes from winning and losing.

A key element that contributes to a student's success and well-being is safety.

\* Please have your child wear tennis shoes on their PE days.

### ART

K-4th art students have created Art Journals this year for art notes and drawing. All students will be exploring the art element of line this month. 2-4th students are studying the artist, Laurel Burch and creating art work inspired by her art. Kinder and 1st grade students are creating oil pastel/watercolor resist art showcasing a variety of lines.

The art room can always use glue bottles.
